

SKI THE KEYSTONE STATE

11-13 JANUARY, 2022

WHITETAIL ROUNDTOP LIBERTY

Drive with a friend or two for about 5-6 hours to ski three resorts that are each perfect for a day's exploration. Each has a variety of beginner to expert terrain, very similar to Wintergreen.

Each has a base lodge, ski rentals, cafeteria, and restaurants.

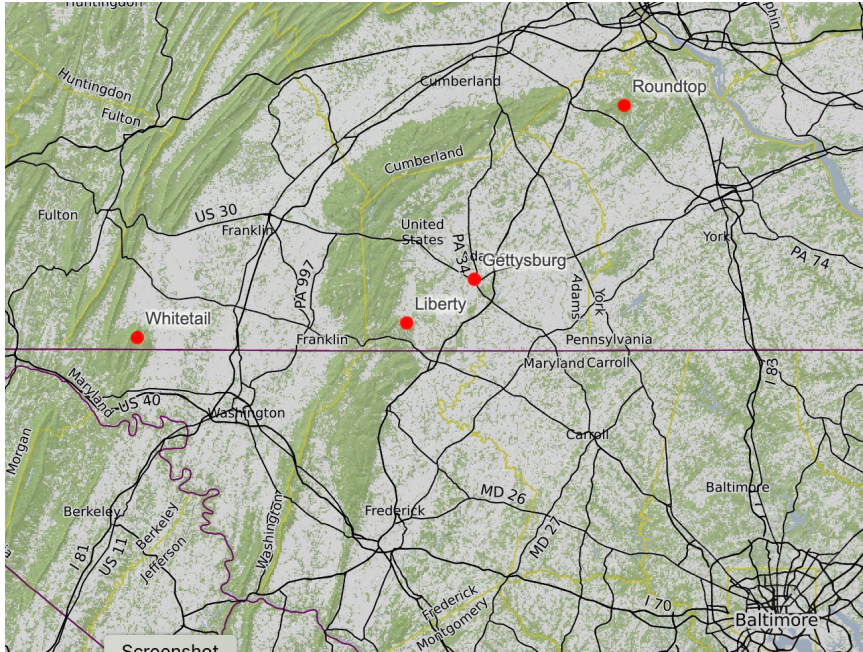

LODGING: Centrally located to Gettysburg hotels. Our hotel of choice is Comfort Suites near the Gettysburg Visitor Center, 945 Baltimore Pike, Gettysburg, PA. Rates for this hotel will be about \$70 per night per room.

Arrive Monday night and ski Tues-Thursday. Drive home on Friday.

LIFT TICKETS: All three areas are on the EPIC pass, which you must purchase yourself. Individual day tickets will be available at the resort. Please see the table on the second page for details.

The trip coordinator will collect \$10 per person to fund an apres ski party in his or her room.

IMPORTANT: This is a trip where you make your own room reservations and buy your own lift pass. Please RSVP at our PSC website. There is no cost to sign up on the website.

As you can see from the map, Whitetail is farthest out, just over an hour from the hotel. Liberty is about 25 minutes out.

All three areas have terrain suitable for all abilities.

APRES-SKI PARTY: \$10 collected by the trip coordinator.

GAS: estimated at 738 miles round trip. 369 miles at 30mph/\$3.30/gal (VA) and 369 miles at 30mph/\$3.80/gal (PA) = \$86 per car.

LODGING: \$70 per night per room. For four nights=\$280. Double occupancy per person=\$140.

Reservations made in advance at Choice Hotels are refundable if not used.

LIFT TICKETS: No additional cost if you already have an EPIC pass.
